

SET GRANITE

An ultra-modern style of heater. Manufactured from a mixture of reconstituted stone and resin, the SET Granite heater stores and radiates heat efficiently and provides an even distribution of heat with a lower surface temperature. It is available in a choice of four colour finishes - white, black, grey and sand.

SET 306 grey

SET 304 sand

SET 30804 black

SET 612 white

SET GRANITE
VERY LOW
